Dear Neighbors:

The D.C. Housing Authority is committed to building better neighborhoods. We're pleased to join DC Councilmember Tommy Wells in holding a community meeting on September 12, 2007, to share plans and get your input on a community garden at the corner of 13th and C Streets, SE, at Kentucky Courts.

DCHA is looking forward to working in partnership with volunteers from the community, the residents of Kentucky Courts and the surrounding neighborhood to build a park and garden at this site. We greatly appreciate the leadership of Councilmember Wells for guiding this ground-breaking effort.

DCHA's mission is to enhance the quality of life in the District of Columbia by providing and effectively managing affordable housing which is diverse, well maintained and aesthetically pleasing. We help bridge the gap between the high cost of housing in the city and the low wages of many of our citizens. We relish this opportunity to build upon DCHA's record of success in creating a better quality of life for our residents and in offering the entire community a place to share and enjoy.

Please join Councilmember Wells, DCHA, your neighbors and residents of Kentucky Courts on **September 12, 2007 at 6 p.m.** at the corner of 13th & C Streets, SE for more information about this worthwhile project.

Sincerely,

Michael P. Kelly
Executive Director
